

UNIVERSAL BALLET COMPETITION

2022 COVID-19 Protocols

Competitions will be held using a traditional schedule with dancers performing entries by age division and category. If your studio wishes to be in its own block, we must be notified 3 months prior to the competition.

1. We recommend that all dancers, families, observers, and coaches continue to maintain a social distance of 3-6 feet from others.
 - a. All who enter the venue should also remain with their studio when possible.
 - b. We encourage all participants to sanitize their hands often.
2. We will follow all mask recommendations and mandates made the CDC and host theatre. We will be monitoring the development of the pandemic throughout the season. All participants will receive mask protocols via email prior to each event.
 - a. No points will be deducted for any performers choosing to wear a mask.
3. Anyone showing cold symptoms without a vaccination will be asked to AVOID entering the competition area and instead join through our livestream.

Please note that as we monitor the development of the pandemic, all protocols are subject to change as recommended by the CDC, health organizations, as well as host theatres.
